Lidget Compton Garden Rooms are virtually maintenance free.

With white PVCu doors, windows, frames and fascias you can say goodbye to treating, sanding and painting your building. A simple wipe down with soapy water is all that's needed to keep your garden room looking tip to all year round.

The Lidget Compton Garden Room is available in 3 styles of Apex building.

The Lidget Compton
Garden Room range

Stylish and functional

Add value to your property and create the room you always promised yourself.

Lidget Compton Garden Rooms are supplied as standard as an Apex roof building, but you can choose from 6 different roof colours. You can also upgrade to the Apex 15 style building with unique terracotta bold roll tile effect roof or the ultra stylish Apex 20 with 'Metrotile' granular pantile profile tile effect roof sheets also in a choice of 6 attractive colours to ensure your building blends seamlessly in its environment.

Tip

We can provide just the front, or the front plus one or two sides in Sectional Brick, Stone, Textured render or Garaclad Pvcu cladding finish to reduce costs.

Why not apply your chosen wall finish to only those elevations you can see?
